#### SECTION D – ADDITIONAL INFORMATION

##### Explanation of Terms

**Missouri Recognized Repair Technician** - Any person who:

1. Is professionally engaged full-time in vehicle repair or employed by an ongoing business whose purpose is vehicle repair. A Missouri Recognized Repair Technician may only be recognized by the department at one place of employment.
2. Has valid and current certifications from the National Institute for Automotive Service Excellence in Electrical Systems (A6), Engine Performance (A8), and Advanced Engine Performance Specialist (L1).
3. Has not been reported by the department to the attorney general for unlawful merchandising practices according to subsection 643.330.5, RSMo.

**Recognized Labor Costs** - The labor costs that a Missouri Recognized Repair Technician charges for emissions repair services performed on a vehicle that fails its emissions inspection.

**Qualifying Repair** - Any repair or adjustment performed on a vehicle's emissions-control system, after failing an initial emissions inspection, reasonable for the testing failure. Repairs performed by a repair technician that were not authorized by the vehicle owner's signature on a repair receipt will not be considered a qualifying repair. The qualifying repair must be performed within 90 days of the date of initial emissions inspection. The qualifying repair may consist of either:

1. The parts costs, purchased by a vehicle owner or charged to a vehicle owner by a repair technician, appropriate for the type of emissions inspection failure.  
  
or
2. The parts and recognized labor costs, charged to a vehicle owner by a Missouri Recognized Repair Technician, appropriate for the type of emissions inspection failure.
